Lol freedom or speech and copyright infringement are 2 different things. If I call my nft metanike and throw a swoosh on it or use the silhouette of a copyrighted design - that is not "artistic expression" - what u did was lazy and a cashgrab

I believe in all of those things, and think that your shameful cash grab is hurting each one.

So is it real or is it not. This seems like picking and choosing what's okay and what's not...
